

Experience the Charm

SHOWERS AND CELEBRATIONS

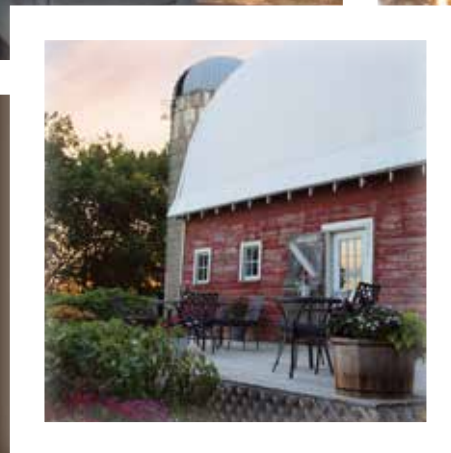

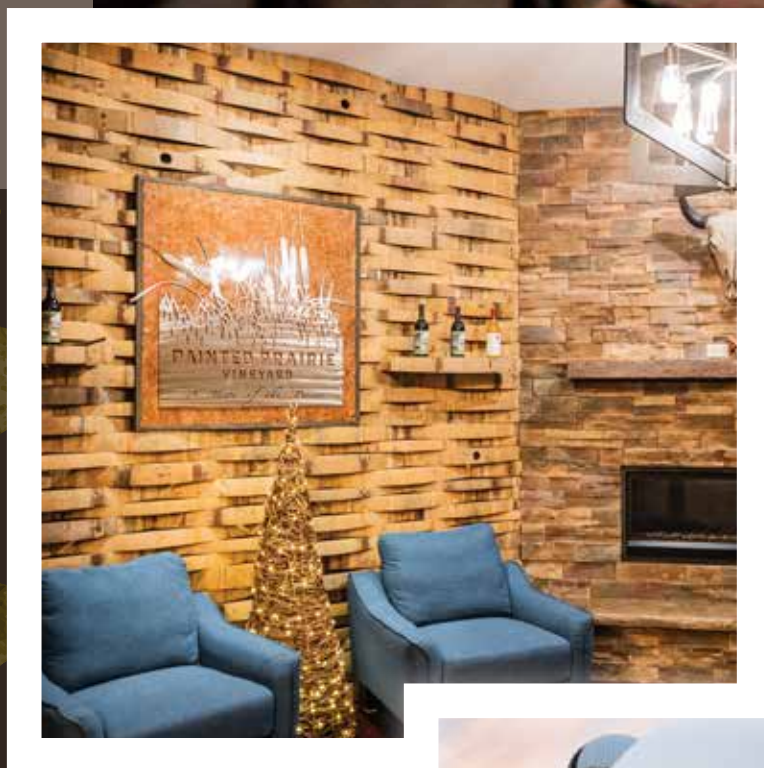

Cheers!

With sweeping views of our majestic vineyards, and elements incorporated from the natural simplicity of prairie living—like farm-style historic beams, real wine barrel staves and weathered barnwood mixed with concrete and metal—the perfect level of relaxed sophistication shines through in every detail.

Nestled between two picturesque silos, our beautiful Red Barn once housed the original tasting room. Its transformation into beautiful farm-style space with original wood beams and unique rustic and vintage decor is the perfect mix of old and new.

Outside, lights strung and fireside seating create a romantic ambiance overlooking our vineyards and the rolling hills of the prairie. Immerse yourself in this rare experience as you watch the sun go down and the stars come out.

You'll fall in love with the amazing spaces at Painted Prairie Vineyard and the distinct characteristics that make this a true farm winery.
