CELEBRATE ON THE PRAIRIE

Create an unforgettable celebration with a unique winery location!

Choose from our three winery spaces, offering elegant touches and breathtaking views.

PAINTED PRAIRIE PAVILION

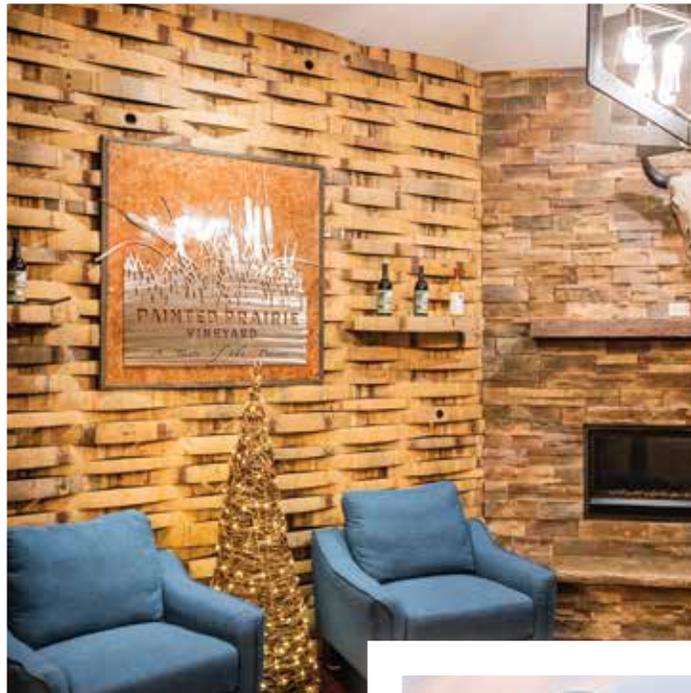

Elevate your celebration with the Painted Prairie Pavilion experience. A mix of sophistication and prairie living, this space incorporates historic beams, real wine barrel staves, and weathered barnwood mixed with concrete and metal to create a relaxed and elegant event. A walk outside, your guests will take in the sweeping views of our majestic vineyards.

PAVILION WEST PATIO

Immerse yourself in this magical oasis. Watch the sun go down, and the stars come out with our spacious outdoor experience. Fireside seating underneath a string of lights creates an intimate ambiance for your group to take in the views of the vineyard and rolling hills of the prairie.

THE RED BARN

Nestled between two picturesque silos, our beautiful Red Barn once housed the original tasting room. Its transformation into a beautiful farm-style space with original wood beams and unique rustic and vintage decor creates an intimate gathering space, with a perfect mix of old and new.
